

- INCLUDED WITH ALL DEVICE PREMIUM PACKAGES -

G.E.M. Casts will help you gain invaluable experience to further solidify your foundational understanding of the software as well as round out your knowledge of its nuances, and to assist you in creating your own multi-faceted approach to sessions. The following is a general overview of the areas of the software that will be covered. You will also learn things that may not have been covered in your pre-recorded training modules. There will be plenty of hints, tips and tricks, as well an opportunity for some Q & A where you can ask any questions on topics that may come up during the session in the live chat.

G.E.M. CAST SESSIONS:

2-Hour Orientation Session (1):

For new practitioners just starting the learning process, and a quick overview of "Who's who in the industry" so you'll know who to contact for what.

The G.E.M. (Guidance, Education & Mentorship) casts will give you the opportunity to communicate with Susan Harms (CBS, D.Ac), of whom has been a certified instructor and diplomate for over 12 years. Susan has provided technical support and troubleshooting for QWV practitioners for the past 14 years. This experience also includes her knowledge as a practitioner for 20 plus years with various EAV, EPR, and Biofeedback devices. She has also worked with the programming team on the development of the Indigo software, and is also proficient in the use of the SCIO & Eductor software. This wealth of experience has given her an in-depth understanding of the most commonly asked questions in relation to the software navigation, its programs and an excellent understanding of its various nuances and idiosyncrasies.
